Term 4 Week 5

13th November, 2019

From the Deputy's desk

Kia Ora

In light of all the bushfires and catastrophic warnings, we hope our community of families, friends and businesses are all safe and well. We are well into preparing for our newest members to Oxley Park Public School. Our staff have been tirelessly organising for our intake of 2020 Pre-schoolers and Kindergarten children and we are all excited at all the gorgeous curious little faces that are turning up to be part of the Oxley Park family. We can already see that 2020 is going to be a wonderful year and are beyond excited to welcome our new families to our school.

We have a range of exciting events coming up:

Stage 1 students have an excursion to Penrith Lakes in week 7. Check in with our lovely office ladies if you require a note or information.

Teddy Bears Picnic is almost upon us for our Preschool and Kindy students new to Oxley Park in 2020. This is a must-not-miss event for our new families!

Our Rewards are also fast approaching. More details regarding our Bronze, Silver, Gold and Diamond days are to come.

CREATING HEALTHY DIGITAL HABITS IN KIDS

Research has consistently shown that children are being exposed to rising amounts of screen time in recent years. The effects of this increased amount of time tethered to a digital device, at times can be concerning. Together, we need to ensure that our students become safe consumers of digital knowledge and are made aware of the implications of inappropriate digital use. At school, our students are taught cyber safety lessons as part of their normal interactions with technology. At home, we ask that parents are aware of the interactions children are having online. We often find that inappropriate conversations made online outside of school time are then brought into the classroom. Setting your kids up with good online habits and being aware of their online interactions will help make safe practises the norm.

The following website has great information for parents and carers on keeping children safe.

<https://www.digitalcitizenship.nsw.edu.au/>

Clubs

Our lunchtime clubs are still in full swing. Teachers have taken time to coordinate lunchtime activities to ensure all our students are catered for socially, emotionally and creatively. We have some exciting additions to our 2020 Clubs line-up that we can't wait to share.

	Monday	Tuesday	Wednesday	Thursday	Friday
Clubs 1.20pm	Garden Mrs Alba	Debate/Public Speaking Miss Mitchell S3E	Garden Mrs Lindsay	Poly Group Ms Hepi S1K	Garden Mrs Lindsay
	Ballroom S3 Mrs Luczak Hall	Hip Hop Mrs Borg	Poly Group Mrs Konarew S3M	Recorder Choir Miss Grace/ Mrs Alba S23G Class	Recorder Choir Miss Grace/ Mrs Alba S23G Class
	Ballroom S2 Mrs Borg Hall				Lego Club Miss Rybeck S2T

Scooter Safety

A number of students ride scooters to school. As much as we educate students on the safety of riding, we cannot manage their safety as they ride home. Some students have been riding their scooters through the carpark of Evergreen Early Education on Sydney Street. One child has been hit and there have been numerous near-misses due to silly riding behaviour. If your child rides a scooter, or bike to school, please ensure you speak with them to ensure they are riding safely to and from school.

“Great education is a combination of a supporting environment, dedicated teachers and students who take joy in learning”

Mrs Narouz

Stage 3

S3W

S3W participated in Outdoor Classroom Day on Thursday November 7th. We measured the garden beds in Area 6 as part of our current Science unit on Plant and Animal adaptations. We collaborated to find the perimeter of the garden beds and discussed the soil testing we planned to do the following day. After measuring the perimeter of the garden, we fine-tuned some of the basketball skills for class fitness. We enjoyed participating in Outdoor Classroom Day and our environment got a rest from the lights, fans and computers for the hour that we were outside.

Stage 2

We here in S2T have started Term 4 on a high. We're doing some of our best learning in Mathematics and we are really enjoying doing Maths rotations. As told in previous newsletter posts, we are a class that loves to dance so having Dance as our topic for Creative Arts has been the icing on the cake.

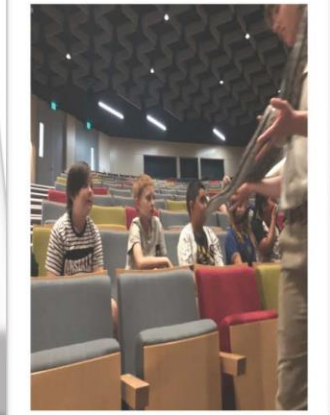

Some of S2T were lucky enough to stay over night at Taronga Zoo and even participate in the Swim School program.

Term 4 has been an absolute blast for us all so far, but we'd be lying if we said we weren't counting down the days until Christmas.

S2P

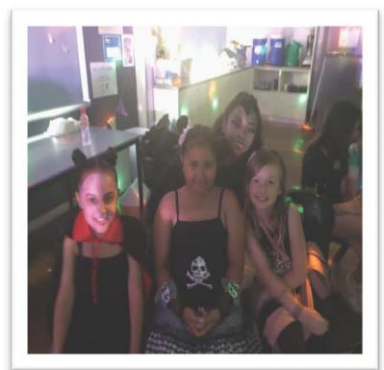

What an explosive start to Term 4 for us in S2P. We ventured out to Taronga Zoo and had an amazing time making discoveries and learning about the living world. Taking risks, where for most, it was our first time sleeping in tents and discovering the texture of different animals. Befriending a female cub, Midnight, was one of the many highlights for us in S2P.

We created some outstanding presentations on animals of our choice, which complimented our ZooSnooz experience by adding factual information directly from the Zookeepers! Surprise visits from our friends Stevie and Emily. They are always excited to tell us of their new adventures.

Finally, Some of S2P's dancing Queens at our Stage disco. How we could challenge a few with a battle!

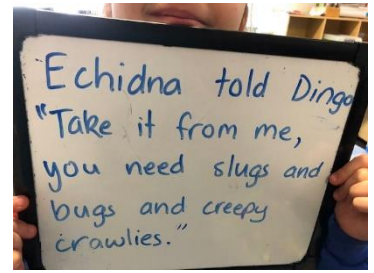

Stage 1

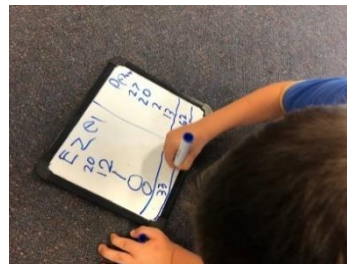

The highlight of our week in S1G is Investigation time. This is provided to the children 3-4 times a week and it gives them the freedom to explore something that interests and motivates them. I watch carefully throughout the week to see what has been fun learning for each child, as well as exciting and stimulating, and plan our Investigations on this. It is a joyful and often challenging time for all. Often I am asked "Are we doing Investigations today?", or as one child put it "When are we going to do that detective work?" I liked the way her mind was working, after all, it's all about getting answers and testing theories.

This week we have been reading Wombat Stew, and one of our investigations has been to make scenes from the story so that we can make our very own book. The children used clay, small twigs and branches, tissue paper and plastic replicas of Australian animals. The task took a good deal of problem solving, creativity, imagination and cooperation. Each scene from the story was made and text to match was written on a white board, then a photo was taken. The photos from this work will be printed, sorted into the correct sequence made into a book.

We have also been investigating how heavy things are in our room, using large scales. Everything the children could think of was placed on the scales and there was much delight when the scales tipped to show the heaviest item. We think we have found the heaviest thing to fit on the scales, a box of magnetic numbers. "Mrs Garlick, nothing can win against this!"

A sprouting onion in my vegie box at home has caused much interest. Some children have taken on the job of recording its growth every day in a book entitled "Onion Growing"

The children's capacity to come up with fresh and new ideas is always celebrated in S1G. Two children made up their own game by standing Jenga blocks up in rows, and aiming a hand ball towards them to see how many they can knock down. The children are taking turns, following rules, negotiating scores and recording winnings. They are using maths, literacy and scientific knowledge in very authentic and enjoyable ways.

Investigation time provides space for children to use and consolidate skills and knowledge. They trial theories about how the world works, use their active imaginations, hone their social skills and play in ways designed to produce the best sort of learning. As they bounce ideas off each other I bounce right along beside them.

Kindergarten

KG went to the farm and we had a great time. We milked a cow, we fed the baby goats (kids) and we held the duckling

KG would like for you to meet our new class pet. His name is Chips.

KG in Investigation loves to build in our tinkering stations. KG enjoys booking holidays in the travel

Love KG

Kindergarten

KA have been thoroughly enjoying their Investigations each morning.

Enjoying our Party Fun House

Playing Pin the tail on the Donkey

Enjoying the memory game

Oxley Park Public School

(Learning Together for the Future)

To ensure your child has a smooth transition into Kindergarten we would like to **invite you and your child** to our 'Stay and Play' sessions.

**'Stay and Play' Transition sessions are held on
Thursday 21st November, 2019 from 2:00pm-3:00pm.
Please meet in Area 3**

**'Drop and Play' Transition sessions are held on
Wednesday 20th November, 2019**

**Join Kindergarten for a Teddy Bear's Picnic on
Wednesday 27th November, 2019 at 9:30am.**

**For more information please contact Oxley Park Public School
on (02) 9623 1375**

***We are an engaged, respectful community
learning together for the future***

PRESCHOOL

As part of our transition to school program we had a lunch order day at Preschool last week. We learnt what to do when ordering our lunch. We know that we need to write our name and class on the lunch order bags along with what we want to order (we even practiced that at our canteen station in the classroom). We know what to do if our teacher in kindy asks us to collect the lunch orders for our class and the best part was eating the yummy food!

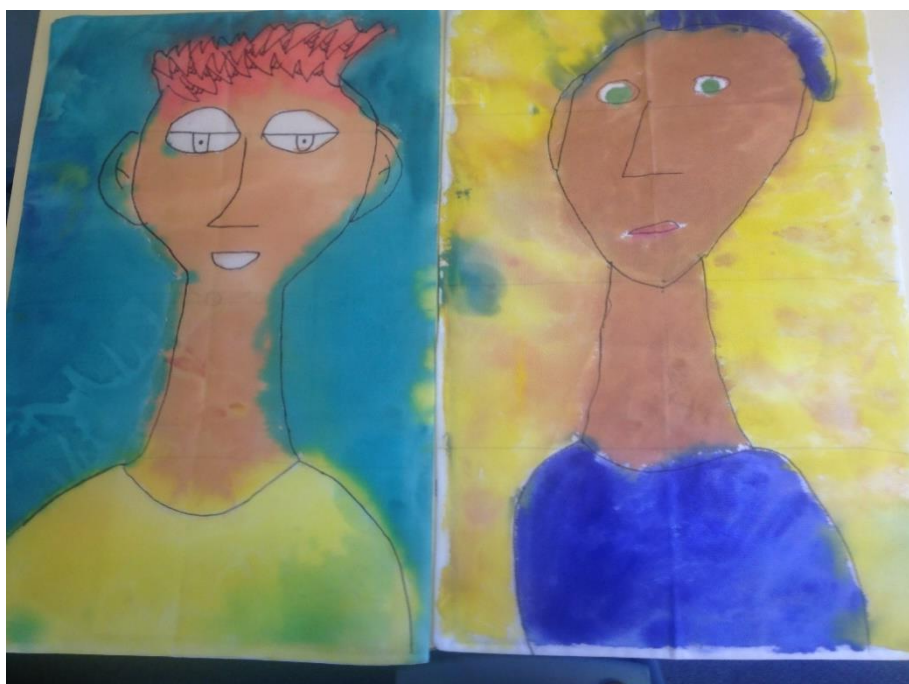

EAL/D PARENTS (ENGLISH AS AN ADDITIONAL LANGUAGE OR DIALECT)

Thursday, 31st October, the EAL/D parents enjoyed listening to Yola from Penrith Women's Health Centre and Veronica Nou from Morris care and Advice Chemist, Oxley Park.

Stage 3 students presented some of their pillowcase protectors that Veronica donated to us as part of a 'Children in Detention' art project. Some of the stage 3 students wrote messages of support to put inside the covers after watching a video from 'Roads to Refuge'. These protectors will go to children in immigration detention centres. A big thank you to Ms Dugdale for the inspiration and Veronica for her never ending support for the school and people less fortunate.

Also, a big thank you to Yola who passed on great information about the services at her centre. We hope to join with her again in 2020 to support the parents at our school.

Garden Club

Thank you to all Oxley Park Public School community who purchased our lovely produce from our Market day. We raised over \$220 which will help us to buy more plants for our garden.

Sports Leadership Program

*Build people up,
Help people grow,
Because people matter,
Re re re re Respect*

This is the chant that fourteen Stage 3 students repeat in every session of the Sports Leadership Program. This program combines activities/sports and education as a means to develop young people's social and emotional growth and develop students' leadership potential. Like other subjects, the program has specific learning outcomes, application of learning and simple assessments. These are facilitated by myself and Keith Nolan, a well-known Sports Leadership Coach in many schools and youth organisations in Western Sydney.

We act as positive peers, mentors and role models for the fourteen students and are responsible to implement the program focused in four key areas:

1. Self-Awareness – 'Skills for Life'
2. Communication and Relationships – 'Heart of a Champion'
3. Youth Leadership Development – 'Serve, Contribute and Lead'
4. Planning for the Future – 'Looking Ahead'

Since we rolled out this program, it has been exciting to see our students grow in communication and cooperation and develop skills in team work. If I can be of assistance to you or your family, please see me at school on Wednesdays, Fridays or email - enoch.nagabyrava2@det.nsw.edu.au
Enoch Nav, School Chaplain, *building people up*.

Payment & Permission Note Date Reminders

Closing dates:

Friday 15th November
Friday 15th November
Monday 25th November

Stage 1 Penrith Lakes excursion
Mortar board – Year 6 only
Sports/Special photos orders

Dates to remember:

Thursday 15th November
Monday 25th November
Tuesday 26th November
Thursday 28th November
Wednesday 11th December
Thursday 12th December
Friday 13th December

Stage 3 Basketball Gala Day
Stage 1 Penrith Lakes Excursion S1K & S1G + S1S (some students)
Stage 1 Penrith Lakes Excursion S1M & S1L + S1S (some students)
Stage 1 Penrith Lakes Excursion S1F & S1B + S1S (some children)
Presentation Day
Annual Christmas Concert
Yr 6 Graduation & Farewell

Permission Notes

A reminder when returning permission notes for excursions, camps, and any school activities for which a permission note is sent home, a **separate permission note is required for each child**. This is a departmental legal requirement. Permission notes are to accompany payment (when required) in an envelope and placed in the “money mailbox located on the wall” in the office. If you are paying by cash, cheque or eftpos **please write on the envelope your child’s first name, last name, class, what the payment is for and the amount enclosed**. Please enclose correct payment and permission note.

Voluntary School Contributions

Thank you to the many families who have paid their voluntary school contribution fee. We have receipted **\$2589.00** in voluntary school contributions. We will be using the fees to support technology upgrades across the school. Please note this is voluntary and we appreciate all efforts that parents and community members make in supporting our school.

Thank you for your support.

Karen Curcuruto
School Administration Manager

The office will be selling second hand uniforms on Monday 18th November from 8.30am outside the Admin Block.

School crossing Supervisor (Sydney Street)

My name is Judith, I've been assigned the permanent position of School Crossing Supervisor for Oxley Park Public School.

I am a country girl at heart, so I have put my hand to everything outdoors, I have worked the cotton seasons and the wheat seasons. I previously worked as an operating theatre porter for 5 years. I have one son and one granddaughter.

School crossing Supervisor (Adelaide Street)

My name is Gary Mackenzie and I have been given the privilege of being the School Crossing Supervisor (Lolly Pop Man) for Oxley Park Public School full time.

I married my wife Rosemary in 1971. I joined the Army in 1972 to become an Electronics Technician. In 1994 I retired from the Army and took up a position with a company that was contracted to repair the communication equipment used by the Defence Force. In 2016 I retired but found that it did not suit me and decided to go back to work as a School Crossing Supervisor which I have been doing for the last eighteen months.

I love all sports especially soccer and golf. I like to cook and look after my rose bushes. I have three children and eight grandchildren.

I have spent five years with Blue Mountains Wildlife Information and Rescue Services (WIRES) rescuing injured wildlife and getting them back to the point where they could be returned to the wild.

SCHOOL CROSSING SAFETY INFORMATION

The School Crossing Supervisor is responsible for the safety of everyone that uses the school crossing between 8:15 to 9:15 in the morning and 2:30 to 3:30 in the afternoon.

Please ensure that you wait for the supervisor to move to the centre of the crossing as he ensures that vehicles have stopped. The supervisor will then indicate that is safe to cross.

It is also important to note that other safety measures are in place to ensure that users of the crossing are safe and these are:

1. Bikes and scooters are to be walked across the crossing.
2. No running on the crossing.

Do not use the **NO STOPPING** areas near the crossing to drop off students as this hides the oncoming traffic to the supervisor.

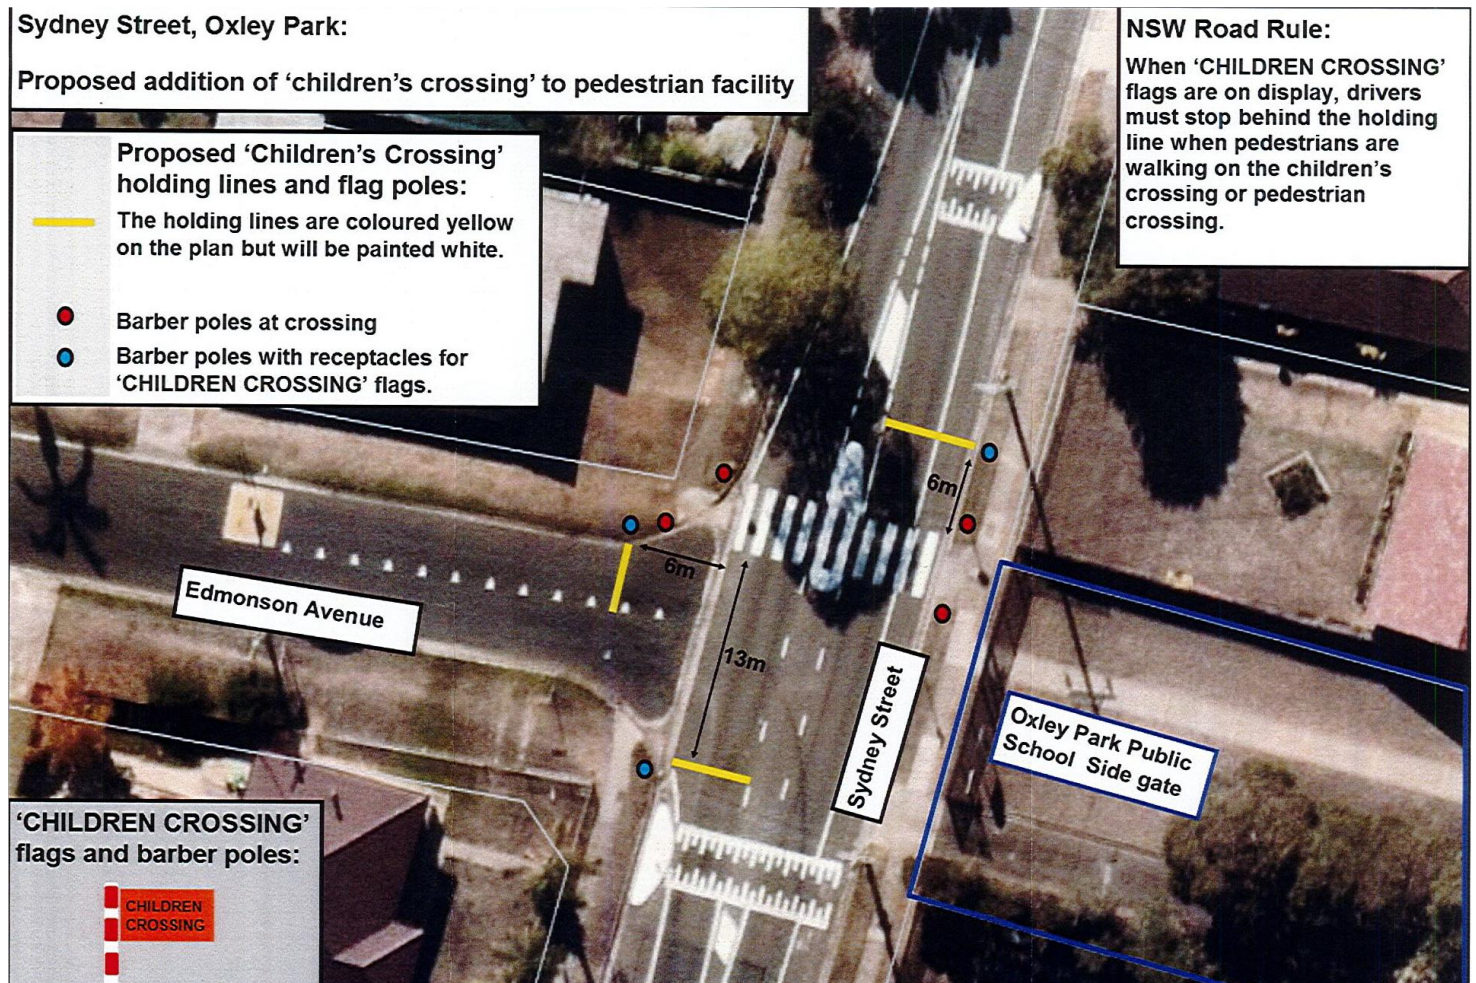

This information is supplied to parents to ensure that your children and you are safe when using the crossing in the above times.

General parking rules; <https://www.rms.nsw.gov.au/roads/safety-rules/road-rules/parking.html>

You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

- Double parked (that is in the road alongside a car that is parked)
- On or across a driveway or footpath
- On a median strip or traffic island
- In a clearway
- On footpaths and nature strips
- Between BUS STOP, BUS ZONE, TAXI STAND or TAXI ZONE signs
- In a safety zone or within 10 metres before or after a safety zone
- Within an intersection
- Within 1 metre of another vehicle parked in front or behind

THE SAFETY OF OUR STUDENTS IS PARAMOUNT

Library News

Sydney Writers Festival-Russ the Story Bus

On Monday 28th October, Year 4 and Year 5 had the pleasure of listening to an author speak about his writing experience.

Gavin Aung Than came to the school as part of the Sydney Writer's Festival. Students in Year 4 and 5 listen to Gavin's instructions on illustrating his Super Side Kick Series. He guided the students through the step to draw all four characters of the book.

After Gavin spoke, these students were invited to visit Russ the Story Bus, where each child got to select a book from the shelves covered with over 3000 book choices.

Premier's Reading Challenge

Every year the Premier of NSW holds an annual reading event where students depending on their age, read a number of books. Congratulations to these students in Years 3 to 6 that not only completed the Premier's Reading Challenge but read all the selected books within 7 days. These students will receive their certificate for the Premier's Reading Challenge closer to the end of the year.

Meet our Canteen Supervisors

Hi, I'm Kylie

A few years ago I began volunteering at my daughter's school canteen, I enjoyed the interaction with the kids, meeting other parents and being part of the school community. Working here in the Oxley Park PS canteen extends those experiences for me and collaborate on the new healthier menu. At home I enjoy growing my own vegetables and love to cook or preserve the produce. I've always had a passion for food and in my other life as a book designer, designing cookbooks were always my favourite projects.

Hi my name is Edna.

I started working at our fabulous school canteen at the beginning of term 3. I love talking to kids, parents and teachers every day. Most of all, I love helping put a smile on a child's face each day. Thank you all for welcoming me into this amazing school community. I look forward to many more smiles and healthy lunches for a long time to come.

We need your help *Donations of quality prizes* *for the Christmas Raffle*

The P&C are seeking prizes for the annual Christmas Raffle, to be held during the School Christmas Concert on Thursday 12th December.

If you, a friend, a relative or an employer can donate a new items that would make a good prize (large or small, gift or experience) for the Christmas Raffle it would be gratefully received. Please contact us on 0413 564 448 or fill out details at www.tiny.cc/oxleypark

Funds raised from the raffle will go towards helping the school create a versatile outdoor learning area.

Converting the 3 grey shipping containers into a great space for cooking classes, art classes, outdoor classroom and a whole host of activities.

A Great opportunity for the OPPS community!

Restoring Hope Counselling, St. Marys is running their first Wellbeing Workshop Series.

Theme: Mindfulness, movement and easy health tips

Mindfulness involves paying attention to the present moment and includes a range of simple techniques that have been shown to reduce stress, anxiety and self-judgement.

Wednesdays from 9:45am till 12 noon, 13th, 20th, 27th Nov. & 4th Dec. 2019

Cost: Everyone connected with Oxley Park Public School (Parents, Grandparents and Staff) will get a concession rate of 15\$ per session. If you cannot afford, please contact Enoch, the Chaplain.

Where: St Marys Baptist Church, 253 Great Western Highway St Marys

At the workshops, you will learn

- introduction to the idea and the practice of mindfulness
- gentle movement exercises
- a range of simple techniques that have been shown to reduce stress, anxiety and self-judgement
- easy do-able tips for diet & health

Facilitators:

Glenn Cameron is a psychologist and couples counsellor with over 13 years' experience in the field. He has worked in private practice and in a school setting so comes with a breadth of experience helping children and adults with mental health, emotional and relationship related problems.

Sharon Ereaux is a Certified PraiseMoves, PraiseKicks & MIRA Instructor, Certified CaraMayan Teacher and Nutrition Coach. She has taught locally and internationally.
